

About My Website

The fifth assignment is about a anime streaming site called as “MY ANIME”. For this website there are lots of tags I have added. If I give some of the tags about the website the;

1. <Link>tag to add icon to the tab bar
2. <h1> tag to show the title of my website
3. <nav> tag to add the task bar for my website
4. <a href> tag to add the features for my task bar
5. <center> tag to align my inputs
6. tag to add images in my website
7. <iframe> tag to add videos in my website
8. <a> tag to add other website and to navigate through my website
